## New Adoption Center Opens In Pauls Valley, OK!

It's official! BLM opened a new adoption center in Pauls Valley, OK. Lindsay served BLM well for many years, but Pauls Valley's close proximity to I-35 will be more convenient for adopters. So, how does one get to Pauls Valley? It's easy! Take the Kimberlin Road Exit (Exit #74) off of I-35 and go west .4 of a mile and north .4 of a mile. The facility is located on the west side of the road. Although the location has changed, adoptions will continue to take place the 2nd Tuesday of each month.

Join us for our grand opening on Tuesday, September 14. Registration, preview and bidding still takes place from 10 a.m. - noon. Hope to see you in Pauls Valley!!!

## Are you Interested in Kansas Equifest???

For the past two years BLM has rented a booth at the Kansas Equifest. Although the Equifest is only two years old, it is drawing fantastic crowds and shows great promise to continue to grow. A portion of the Kansas Equifest is dedicated to showing different breeds. The date is February 25-27, 2000, at the Kansas Coliseum in Wichita, KS.

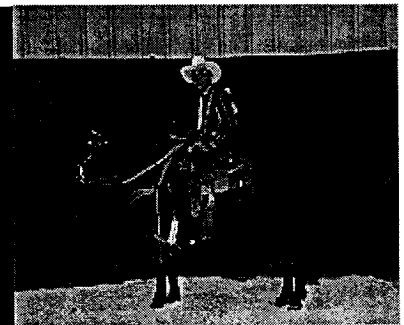

In previous years, BLM participated in a similar event in Oklahoma that won best demonstration of the show. We would like to repeat that performance. Several people

from Kansas have expressed an interest in helping BLM participate in next year's breed showcase. We need to know by December 1, 1999, who is seriously interested in order to get an accurate head count.

If you are interested, please give us a call at 1-800-237-3642. Just leave your name and phone number and tell us that you are interested in Equifest 2000. Someone will contact you after December 1 to inform you of further details.

Don't forget to attend the  
1999 Wild Horse &  
Burro Expo in  
Glen Rose, Texas on  
October 29 & 30!!!

## James Crabtree Correctional Center Adoptions

We currently have a limited number of mares and studs available for adoption at the James Crabtree Correctional Center in Helena, OK. You must be APPROVED prior to adopting at the Correctional Center. Although the horses are not trained prior to their

adoption, the center offers boarding and training for \$100.00 per month, per horse. To see if they can train your adopted horse, or to schedule an adoption appointment, call the Center at (580) 852-3221.

## Stretching our resources....

We apologize for the delay in getting these updates to you. Our resources have been stretched to the limit this year. However, we are trying to catch up and are excited about the upcoming adoptions and Wild Horse and Burro Expo in Glen Rose, Texas. We hope to see you at one or more of the upcoming events!

When you get a chance, check out our new website at: [www.nm.blm.gov](http://www.nm.blm.gov). It will be available in early September. However, you can still reach us at 1-800-237-3642.

Happy Trails!!!
